

**National Conference
On
Modern Age Digital Services:
Technology, Cyber Laws and Security Issues
(MADS-2022)
November 29-30, 2022
(Online Mode)**

Organised by:

**College of Technology
G.B. Pant University of
Agriculture & Technology, Pantnagar,
U.S. Nagar, Uttarakhand**

(Under the aegis of Master of Computer Applications Program)

About the Host Institution: In 1960, the first agricultural university of India, UP Agricultural University, came into being by an Act of legislation, UP Act XI-V of 1958. The University was rechristened as Govind Ballabh Pant University of Agriculture and Technology keeping in view the contributions of Pt. Govind Ballabh Pant, the then Chief Minister of UP. The university was dedicated to the nation by the first Prime Minister of India, Pt Jawaharlal Nehru on 17 November 1960. The G.B. Pant University, the harbinger of green revolution in our country, is a symbol of successful partnership between India and the United States. College of Technology is one of the key college of G.B. Pant University of Agriculture & Technology, Pantnagar established in 1962.

About Master of Computer Applications Programme: The Master of Computer Applications course started in the year 2007 with experienced faculty has come out a long way on the frontier lines of software research and development. The course keeps itself in pace with the IT changes and regularly updates its laboratories with the latest computing facilities and software technologies. The course curriculum for MCA has been designed specifically to meet the demands of the current IT industry. The entire curriculum along with project internship in Industries offers latest and emerging courses in the field of Computer Applications.

About the Conference: The conference will provide opportunities for the participants to share their ideas and experience with their peers expected to join from different parts of the country. In addition this conference will help the participants strengthen academic and research linkages for future collaborations in their carrier path. The national Conference on “**Modern Age Digital Services: Technology, Cyber Laws and Security Issues**” (MADS-2022) will be held on November 29-30, 2022, in **online mode** at College of Technology, Pantnagar, Uttarakhand, India. The purpose of this conference is to bring together academia, researchers, and students to exchange and share their experiences.

Who should attend?

Participation is open to all scientists, teachers, researchers, students and professionals working in the theme areas of the conference.

Theme area of the Conference and Tracks:

MADS-2022 provides a platform for researchers, scientists and academia from Cyber Security, Cyber Laws, Digital Services and Digital Forensics to exchange ideas, collaborate and work together. It also proposes to focus on all aspects of Information Security, Cryptography and Risk Analysis with modern and emerging network security techniques.
