

PANTNAGAR TECHNOLOGY ALUMNI ASSOCIATION (PTAA)

College of Technology

G.B. Pant University of Agriculture & Technology

Pantnagar - 263145, Uttarakhand, India

CTE/PTAA/ Endowment/99

Dated: 14th Oct 2020

Dear Esteemed Alumni, College of Technology

With sincere greetings, we hope and wish that you are doing well during this difficult time.

We were thinking to reach you for some time and feel privileged to come to you through this letter. The spirit and culture of Pantnagar are so blended that we remain inseparable as Pantnagarian Technocrats. To strengthen it further, Pantnagar Technology Alumni Association (PTAA) has come up with another initiative to connect Alumni and Alma Mater more proactively. I wish to bring the entire matter for your perusal and taking it forward in a big way.

Back Ground

College of Technology, Pantnagar established in 1962 has produced technocrats excelling in their respective fields at National and International levels. The college feels proud to hear about achievements and accomplishments of its Alumni. In order to streamline and strengthen the bonding between Alumni and Alma Mater, Pantnagar Technology Alumni Association a registered body (Rgn No 060/2010-2011) was established in 2005. Since then our distinguished Alumni with their families regularly visit Pantnagar to celebrate PTAA Alumni Meet (Samanvay) annually in a big way. This 'Samanvay' is not only a reunion of Past and Present but becomes a very special emotional event of home coming for our Alumni where they provide suggestions and guide us and our students on various matters.

Issue

Apart from other activities of PTAA, an Endowment Fund Account in the name of "PTAA-Agricultural Engineering Alumni Endowment Fund" was opened in PNB Pantnagar a few years ago. This account was basically opened based on the contribution specifically made by 1962 Batch of Agricultural Engineering Alumni for the purpose of providing scholarships to meritorious students of Agricultural Engineering to recognize and reward their academic achievements.

In the Pantnagar Technology Alumni Association (PTAA) Annual General Meeting at Pantnagar during Samanvay-2019, participating Alumni expressed their concern and were of strong view to have another broad-based endowment fund account in which every Alumni of the College of Technology is able to contribute and students of all branches are benefitted.

Based on the decision of AGM, An Endowment Fund Account in the name of **PTAA Technology Endowment Fund** in Punjab National Bank, Pantnagar Branch has been opened. The entire contribution made in the fund shall be kept in fixed deposit and the interest earned on the deposit shall be used **exclusively** for Students' Scholarships' spread to all disciplines of the college. This Account details are as under:

14/10/20

Account Name	PTAA Technology Endowment Fund
Account No and type	4446002100002519 (Current Account)
IFC Code	PUNB0444600
MICR Code	263024252
Bank	Punjab National Bank, Pantnagar Branch

Appeal

Accordingly, our distinguished Alumni are requested to support this issue to motivate and hand holding of budding Pantnagarian Technocrats by way of making generous contributions with the spirit of **learning - earning and returning**. Your every contribution will add immense value by boosting morale and confidence of students' community at large in the college. Need not to say that while every contribution is most welcome, however, based on the suggestions from Alumni, following five categories of contribution have been established.

Sl No	Category	Contribution (Rs)
1	Platinum	2,50,000 and above
2	Diamond	1,00,000 to 2,49,999
3	Gold	50,000-99,999
4	Silver	30,000 to 49,999
5	Bronze	15,000 to 29,999

Through this write up, we are trying to reach our esteemed Alumni in India and Abroad with the request to give it wide circulation and publicity so that our Alumni know about it and come forward to help their younger generation and Alma Mater who always look to them for their support and guidance. Every contribution shall be sincerely appreciated and acknowledged with display on our College notice boards and web site.

Wishing you all the best in life.
