Annexure-II

SOLEMN VOLUNTARY DECLARATION

I.....admitted to.....degree program of College of Technology of the G.B.Pant University of Agriculture and Technology hereby affirm:

1. That I firmly believe in the basic philosophy outlined in paragraph 11.75 of the Second Education Commission, particularly that quoted below:

“A University or a College is an academic fellowship of equals where things can be discussed and decided reasonably and the joint committees of teachers and students which we have recommended have this purpose specifically in view. These should be fully utilized to ascertain and redress the genuine difficulties of student” “What binds together students and teachers is the deep and creative partnership in the sharing of common interest, mutual regard and sense of values, and working together for their main purpose which is the pursuit of knowledge and discovery. Anyone who is not committed to this philosophy or prepared to honour it has really no place in an institution of higher education”.

2. That in consequence, I believe that all grievances, disputes and problems of the students should be settled by constitutional means, such as approach to the Advisor, Warden, Chief Warden, Dean, Vice-Chancellor or other individuals concerned or by raising them in the relevant committees, such as Central Food Advisory Committee. Professional Societies, Cultural Societies, etc., or by reference to the Board of Management, Chancellor or the State Govt., or if all other means fail by having recourse to court of justice.

3. That I, further believe that, under no circumstances, there is any need or justification for any defiance of the Rules and Regulations of the University, show of force, unruly demonstration, coercion, violence or any other means forming part of the so called direct action. I promise that I shall never have recourse to any unconstitutional means.

4. That I, further believe that under no circumstances, there is any justification for any student approaching any outsiders, may be they the agitators from the Universities, politicians or disgruntled individuals not concerned with the affairs of the University. All matters should be settled by those concerned with the affairs of the University such as the students and staff of the University, guardians of the students, members of the Board of Management, the State Government, Chancellor etc. I shall accordingly refrain from approaching any outside element not concerned with the affairs of the University.

5. That I shall attend my classes and participate in other activities of the University according to the programme, irrespective of the fact whether my other colleagues do so or not and that I shall do so even in the case of intimation by any of them.

6. That, I further declare that any activity/travelling connected with studies/ courses/project etc. will be entirely on my risk and responsibility and in case of accident or mishap the University or any of the functionary will not be responsible for that.

7. I also affirm that I shall abide by the word and spirit of the above declaration and further undertake that if, at any time I am found indulging in any such activity I may be dismissed from the University.
